

## Memorial Brick Campaign

Your family member or loved one can be permanently recognized in the Serenity Garden of the Hospice House.

A personalized brick is a wonderful opportunity to create a lasting memory at the Spirit Mountain Hospice House in Cody, Wyoming.

Your personalized brick will honor or remember a special friend, family member or loved one in a tangible way that supports —

# West Park Hospital Spirit Mountain Hospice House

## MEMORIAL BRICK CAMPAIGN

**Since the Hospice House began caring** for the needs of terminally ill patients in the Hospice House, the goal to provide specialized in-patient care has been realized!

The West Park Hospital Foundation's Hospice Cares Fund was created for Hospice patients. This special fund provides for patients that would otherwise be unable to afford hospice care.

**All proceeds from the  
Memorial Brick Campaign  
go toward the Hospice Cares Fund.**

When you purchase a brick, you are helping future residents of the Hospice House. We are pleased to offer this wonderful opportunity so that you can help us care for those in need, while acknowledging those people important to you.

**For a donation of \$300–\$3,000**  
your personalized brick will honor or remember a special friend, family member or loved one in a tangible way that supports —
